

# Easter Cross Yard Signs

The Ministerial Alliance is excited about the impact that the Easter Cross Project will have in Georgetown. This is a visible demonstration that we are unified as a Christian community. We are glad that your church or organization is going to take part in this witness!

To purchase the cross signs, each church or organization should contact Bruce Fogerty ([brucefogerty@gmail.com](mailto:brucefogerty@gmail.com), 214-450-5010) to place their order. We recommend that you order the signs as soon as possible. The cost is \$4 per sign, plus shipping.

For members and friends of your church or organization who live in Sun City, special arrangements can be made so that Sun City residents can display the signs.

1. Appoint a Sun City resident, in your church or organization, to be your representative to the modification committee. To eliminate the \$25 first-time modification fee, select a representative who has previously submitted modification requests.
2. To be in compliance with Sun City regulations, turn in the following paperwork to the CA office: Modification form, cross info sheet, and an alphabetical list of names\* that this request will cover. (See attachments.)

Notes:

If you don't have a representative, you may give your list of names to Janette Donaldson (contact info: [sgpc@verizon.net](mailto:sgpc@verizon.net) or 868-0902.)

\*Also, once your list of names has been approved, if additional individuals wish to participate in the 2008 Easter Cross project **their names must be submitted** to the CA office by March 10, 2008. (San Gabriel Presbyterian Church has already obtained written approval for the crosses to be displayed in their members' yards. The office has started to compile a second list, which will be submitted by March 10.)
